

# CASE STUDY – GOLDFINCH ESTATE AGENTS

Project Brief – To create an upmarket estate agency office for executive properties.

Process – 2D plans were produced to decide upon to the correct layout and specification. To confirm, a 3D rendering (below, right) provided a photorealistic visual of how the completed office would look.

# CASE STUDY – GOLDFINCH ESTATE AGENTS

Project details – Walnut meeting desks are complemented by the Walnut capped armrests on Sven G5 visitor chairs upholstered in black hide. Clean lines and a contemporary look continue with black hide Sven G3 ergonomic task chairs and XR sofas
